Hi Carra

Feedback that I heard from everyone was that they had a great time and you have a great facility. Thanks so much for all your help in pulling this together and making it a success. I'm sure we would like to use your facility again in the future – we were very impressed.

My sister & I and our boys (ages 8 &10) had a lot of fun at the event on Friday. They loved the haunted bus and the inflatable's. Looked like you had a great turn out.

Did you and your staff encounter any difficulties with us?
